

FY2018 Anchorage Coalition to End Homelessness Individual Membership Agreement

The mission of the Anchorage Coalition to End Homelessness is to advocate for and implement strategies to prevent homelessness and provide housing and work opportunities for all.

MEMBERSHIP STATEMENT OF SUPPORT

Being mindful of the interests of the homeless, service providers, investors and the community, we the members of the Anchorage Coalition to End Homelessness (ACEH) set forth this agreement:

- Hold the value that everyone who is homeless should be provided with the opportunity to access housing and supportive services
- To provide leadership in the prevention and eradication of homelessness in Anchorage
- To provide centralization and coordination of information regarding Anchorage homeless services and needs in the community
- Hold a primary focus on supporting those most in need and those having the fewest resources and are committed to serving all that seek assistance with housing and supportive services
- Hold a commitment to the use of evidence-based practices and data driven decision making and agree to work with community partners and ACEH toward an accurate, timely and complete data system
- Will continue to participate in regular meetings and assess gaps in homeless housing and services in the Continuum of Care, so plans of action may be developed and implemented on a timely basis
- Agree to analyze information about those that remain unsheltered in our current Continuum of Care system so that new and innovative ways to fill those gaps can be developed
- Will keep our local, state, and federal elected officials informed on a regular basis and glean their support whenever appropriate in support of our comprehensive goals of decreasing homelessness in Anchorage

I understand that all partner members of the ACEH have an equal vote and that a majority vote of the membership present at a meeting, or responding in manner allowed by the by-laws, represents a vote of the entire ACEH as a whole.

Members are organizations or individuals that support the mission of ACEH and wish to partner for collaborative funding and the development of community resources for those needing shelter, and those at risk of homelessness or seeking affordable housing. Membership requirements include:

- a. Must meet minimum standards of accountability; acting in a way consistent with the membership statement of support. No individuals or organizations can speak on behalf of the Anchorage Coalition to End Homelessness without express permission of the Board of Directors.
- b. Commit to attend the six bi-monthly coalition general membership meetings.
- c. Pay the annual partner membership dues. Individual dues are \$50 per membership year. Homeless and formerly homeless individuals for whom the fee would be a financial barrier can request a dues waiver.

The membership dues are for the fiscal year 2018, covering the membership year July 1, 2017 through June 30, 2018. Membership must be renewed each year.

By signing below, I agree to the membership statement of support, attest that I will not speak for the Anchorage Coalition to End Homelessness unless given express permission by the board of directors, and authorize the use of my name in the work of the coalition, unless checked below.

I do not authorize use of my name by the Anchorage Coalition to End Homelessness
