Homelessness

An Addendum to the Client Informed Consent and Release of Information (ROI)

The following is an addition to the Client Informed Consent and ROI that you previously read and signed. This addendum is only valid where the participant has signed the Client Informed Consent and ROI as part of administering the Coordinated Entry Assessment Packet.

I, _____, seeking homelessness or supportive services give permission for service providers representing the Anchorage Coalition of End Homelessness to take my photograph and store it in the Alaska Homeless Management Information System (AKHMIS) database. I understand that my photograph might be used by service providers during outreach to offer or provide housing or other supportive services. I understand that this use is without payment or compensation of any kind.
