## I. Anchored Home Summary

Anchored Home: Anchorage’s Community Plan to Solve Homelessness 2018 – 2021, is the result of multi-sector community wide collaboration. Through public discussions, identified best practices, feedback gathering, analysis and a shared desire to improve the quality of life for all individuals living in the Anchorage community, the plan was finalized in October 2018. Anchored Home outlines the various efforts and initiatives, community engagement strategies and partnerships needed to work together to drive efforts to make homelessness in Anchorage rare, brief and one-time.

### Goals & Objectives

Anchored Home identifies four key pillars and the lead responsible for convening the community for each of the pillars. These pillar leads are responsible for reporting on their progress and are accountable to the Anchorage Homelessness Leadership Council, which was convened by Mayor Ethan Berkowitz in September of 2018.

The core Anchored Home team identified 5 Priorities for 2019. Progress on these priorities is measured in the following document and will be shared with the Anchorage Coalition to End Homelessness (ACEH) Board, Homelessness Leadership Council (HLC), Assembly Committee on Homelessness, the Housing, Homeless and Neighborhood Development Commission (HHAND), and other stakeholders monthly. These priorities were shared with the public, the ACEH membership and other stakeholder groups prior to finalization for feedback and input.

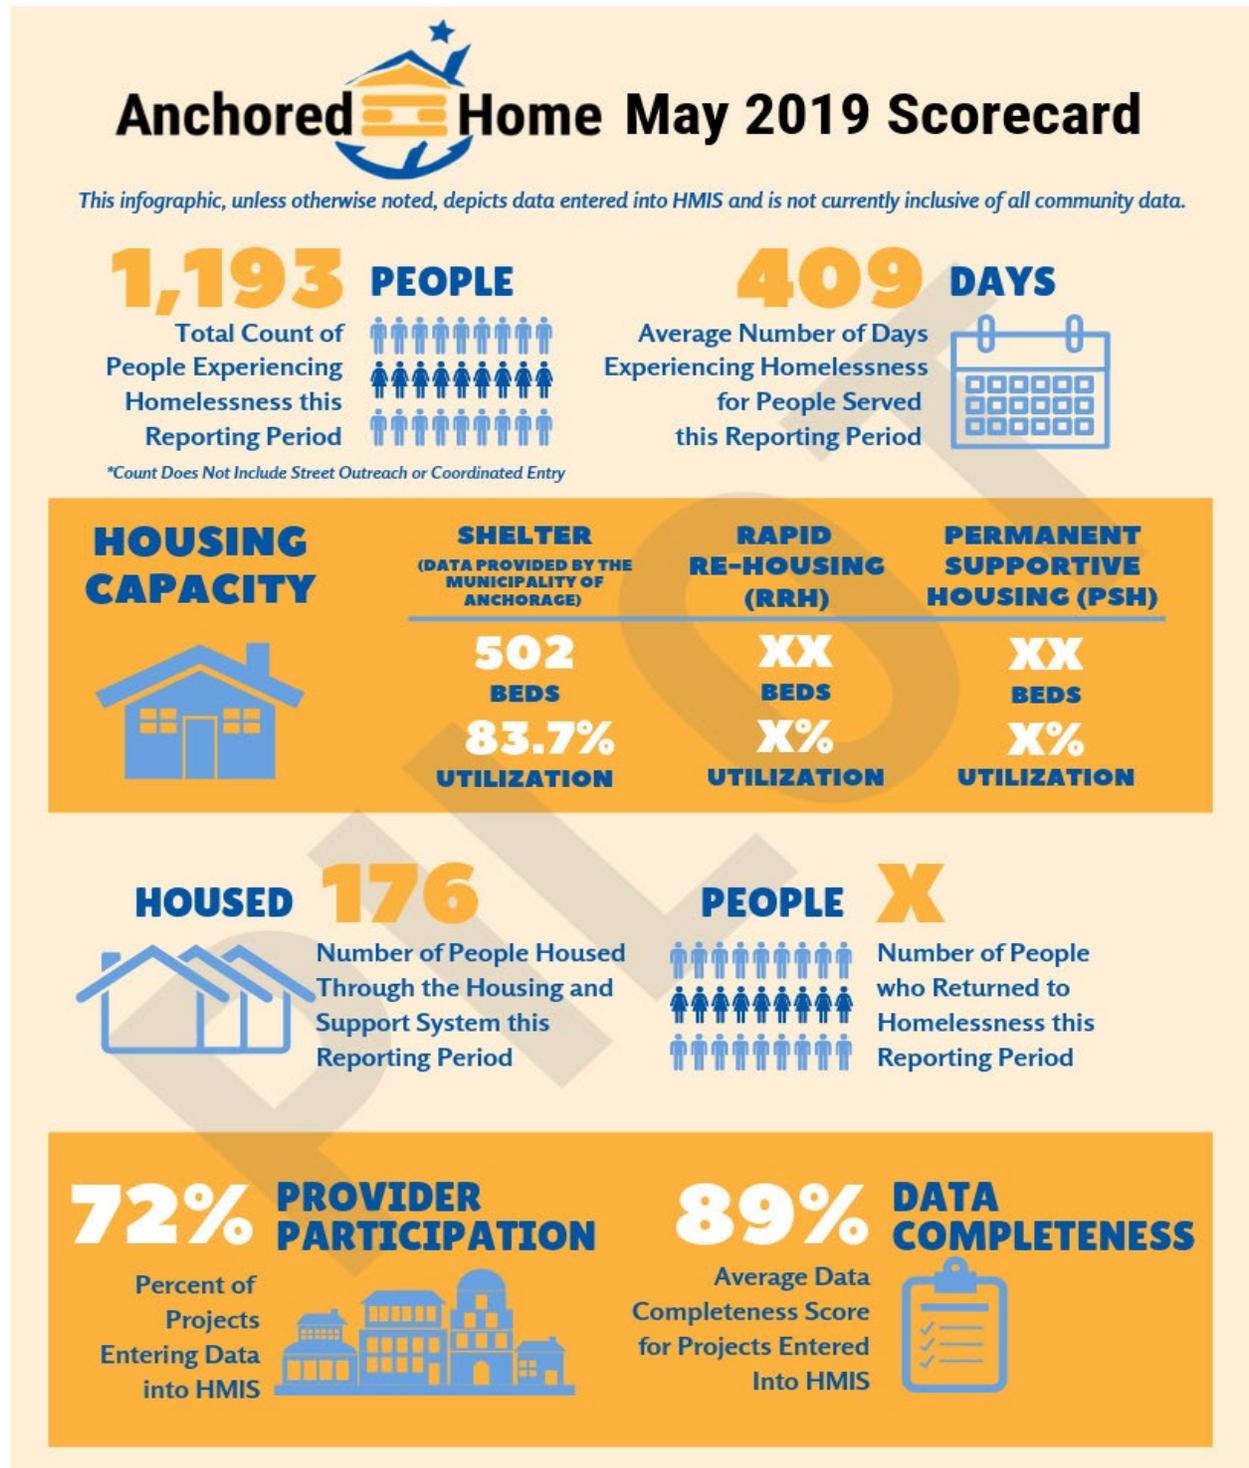

**2019 Priorities:**

1. Increase community health, safety and emergency systems: increase available temporary shelter beds and decrease unauthorized camps
2. Increase permanent housing and supports resources in the community
3. Assess and improve local capacity to prevent and divert homelessness
4. Improve data collection and support infrastructure to inform decision – making, track progress toward our goals, and monitor performance
5. Increase use of and links to existing community resources. Advocate for more resources where needed

To assess progress monthly, the Anchored Home implementation team will deliver a monthly Scorecard. The Scorecard is like a set of academic report cards; these measurement tools are intended to show where strides are being made and where additional resources may be required. The Scorecard is a snapshot for the monthly reporting period.

## II. Overall System Performance Data

The infographic below illustrates the overall health of the Anchorage homeless response system during the reporting period. As of May 2019, data collection methods are still a work in progress. To support transparency, the desired data points will be shared in the Scorecard even if the data is not currently available. The infographic, unless otherwise noted, depicts data entered into HMIS and is *not* representative of all community data at the time of report release.

### III. Anchored Home Scorecard Infographic Definitions

<b>ANCHORED HOME SCORECARD INFOGRAPHIC DEFINITIONS</b>	
Category	Description
<b>Total Count of People Experiencing Homelessness this Reporting Period</b>	<p>This number represents the total number of individuals experiencing homelessness at any point during the monthly reporting period. This total is generated from a HMIS report based on the HUD System Performance Measures.</p> <p><i>Disclaimer: Currently, this metric does not account for individuals served by agencies who do not share data within the HMIS reporting tool. This information does not include Street Outreach or Coordinated Entry at this time. In the future, this total may increase due to the addition of Street Outreach and/or Coordinated Entry data. This data is inclusive of individuals who were experiencing homelessness but also housed in this month.</i></p> <p><i>Note: This definition will be adjusted in the upcoming months to align with the Built for Zero project and reports. This figure differs from the Point-in-Time (PIT) Count, which tracks individuals solely on one given evening annually. The PIT represents a snapshot while this total represents clients served throughout.</i></p>
<b>Average Number of Days Experiencing Homelessness for People Served this Reporting Period</b>	<p>This number reflects the average number of days people served by the system experienced homelessness. This number is generated from a HMIS report based on the HUD System Performance Measures. In other words, this is the average length of time experiencing homelessness for the people included in the total count figure.</p> <p><i>Disclaimer: Currently, this metric does not account for individuals served by agencies who do not share data within the HMIS reporting tool.</i></p> <p><i>Note: This definition will be adjusted in the upcoming months to align with the Built for Zero project and reports.</i></p>
<b>Shelter Beds</b>	<p>The average number of nightly temporary or emergency shelter beds available (the bed count) in the reporting period.</p> <p><i>Note: This data metric is provided by the Municipality of Anchorage automated "Bed Count". The Bed Count system is an automated robocall system that calls all shelters nightly to determine their daily capacity and utilization. This data source will be used for this report temporarily until all projects are using the community HMIS tool.</i></p>
<b>Shelter Utilization</b>	<p>This number represents the average number of beds utilized nightly for the reporting period.</p> <p><i>Note: This data metric is provided by the Municipality of Anchorage automated "Bed Count" See shelter beds for more information.</i></p>
<b>Rapid Re-Housing Beds</b>	<p><i>Methodology for collecting and reporting upon this metric is under development.</i></p> <p>Anticipated data collection methodology will account for the average Rapid Re-Housing bed capacity during the monthly reporting period. Data is anticipated to be presented in the July Scorecard available on September 1</p>
<b>Rapid Re-Housing Utilization</b>	<p><i>Methodology for collecting and reporting upon this metric is under development.</i></p> <p>Anticipated data collection methodology will account for the average number of Rapid Re-Housing bed capacity utilized during the monthly reporting period. Anticipated data collection methodology will be presented in the July Scorecard available on September 1</p>
<b>Permanent Supportive Housing Beds</b>	<p><i>Methodology for collecting and reporting upon this metric is under development.</i></p> <p>Anticipated data collection methodology will account for the average number of Permanent Supportive Housing beds available during the monthly reporting period. Anticipated data collection methodology will be presented in the July Scorecard available on September 1</p>
<b>Permanent Supportive Housing Utilization</b>	<p><i>Methodology for collecting and reporting upon this metric is under development.</i></p> <p>Anticipated data collection methodology will account for the average number of Permanent Supportive Housing beds utilized within the monthly reporting period. Anticipated data collection methodology will be presented in the July Scorecard available on September 1</p>
<b>Number of People Housed Through the Housing and Support System this Reporting Period</b>	<p>This reported number reflects people who have moved into Rapid Re-housing, Permanent Supportive Housing or other permanent housing during this reporting period.</p> <p><i>Note: This definition will be adjusted in the upcoming months to align with the Built for Zero project and reports.</i></p>
<b>Number of People Who Returned to Homelessness this Reporting Period</b>	<p><i>Methodology for collecting and reporting upon this metric is under development.</i></p> <p>Anticipated data collection methodology will be presented in the July Scorecard available on September 1.</p>
<b>Provider Participation</b>	<p>This number reflects the percentage of Anchorage projects currently reporting into HMIS. This number reflected projects and not organizations and some organizations are partially participating in HMIS</p>
<b>Average Data Completeness Score for Projects Entered into HMIS</b>	<p>This number reflects the percentage of the minimum required Universal Data Elements (UDE), reported into the Homeless Management Information System (HMIS) within the monthly reporting period.</p> <p><i>Disclaimer: Currently, this metric does not account for individuals served by agencies who do not share data within the HMIS reporting tool.</i></p> <p><i>Note: This definition will be adjusted in the upcoming months to align with the Built for Zero project and reports.</i></p>

#### IV. ANCHORED HOME SCORECARD OVERVIEW

The Anchored Home Scorecard is built to track the implementation efforts and monitor key data points identified for the 2019 Anchored Home Priorities in the effort to make homelessness a rare, brief and one-time event. The summary of all actions identified in 2018 under each Pillar are listed in [Anchored Home](#). The intention of the Scorecard is to provide transparency on progress and barriers to key stakeholders. The total priorities are summarized in one graphic with an overall level of progress and then the subsequent scorecard documents each priority in more detail.

The progress of each Priority Task is tracked by the status of the task. The task is provided with a color scheme to track its progress (i.e.: On-Track or Off-Track).

Status	Progress Tracking
Green	<ul style="list-style-type: none"> <li>• On-Track</li> <li>• No unmitigated risks</li> <li>• Resources available</li> </ul>
Yellow	<ul style="list-style-type: none"> <li>• Delay in schedule</li> <li>• Risk unknown</li> <li>• Difficult to get back On-Track</li> </ul>
Red	<ul style="list-style-type: none"> <li>• Lack of resources</li> <li>• Budget constraints</li> <li>• Dependent on pending actions of other Pillars</li> <li>• Off-Track</li> <li>• Unable to get back On-Track prior to deadline</li> </ul>
White	<ul style="list-style-type: none"> <li>• Action not yet started</li> </ul>
Blue	<ul style="list-style-type: none"> <li>• Action complete</li> <li>• No further action required</li> </ul>

## Anchored Home 2019 Priorities Overall Scorecard

Below is the 2019 Priorities Overall Scorecard. Each 2019 Priority is assigned to the respective Pillar Convener.

2019 PRIORITY OVERALL SCORECARD			
#	Task	Pillar	Status
1	Increase community health, safety and emergency systems: increase available temporary shelter beds and decrease unauthorized camps.	Public Health & Safety	Red
2	Increase <u>permanent</u> housing and supports resources in the community.	Housing & Support Systems	Yellow
3	Assess and improve local capacity to prevent and divert homelessness.	Prevention & Diversion	Red
4	Improve data collection and support infrastructure to inform decision- making, track progress toward our goals, and monitor performance.	Housing & Supporting Systems	Yellow
5	Increase use of and links to existing community resources. Advocate for more resources where needed.	Advocacy & Funding	Yellow

## V. ANCHORED HOME SCORECARD BY 2019 PRIORITY

Priority 1 2019: Increase community health, safety and emergency systems: increase available temporary shelter beds and decrease unauthorized camps.

2019 SCORECARD – PRIORITY 1							
#	Task	Planned Start	Actual Start	Planned End	Actual End	Pillar Convener	Status
1	Using the Built for Zero By-Name List Scorecard, build a coordinated outreach system for all individuals experiencing homelessness in Anchorage.	4/1/2019	3/26/2019	6/1/2019		Housing & Support Systems / Public Health & Safety	Yellow
2	Increase cold-weather shelter capacity, as measured by the HIC and PIT counts, outreach data and CES by 150 beds. Maintain cold weather shelter beds for 2019 – 2020.	1/1/2019	1/1/2019	9/30/2019		Public Health & Safety	Green
3	* Decrease the number of unsheltered individuals by 10% through conducting legal and humane abatements of unauthorized camps, while protecting the rights of people experiencing homelessness by connecting persons camping with appropriate services and housing opportunities through PIT Count and shelter data.	5/1/2019	4/22/2019	12/31/2019		Public Health & Safety	Red
4	Create a data dashboard to share information with the public pertaining to camp abatement reporting and response in the community.	3/1/2019	5/15/2019	10/31/2019		Public Health & Safety	Yellow

### Qualitative Comments:

1.1: The Built for Zero Outreach Working Group was established April 2019, holding weekly meetings to coordinate outreach across the community with the intention of:

- Ensuring policies that support outreach coverage across the municipality of Anchorage with a focus on coverage of all community reported camps
- Identifying existing resources and organizing deployment to maximize resource utilization
- Develop an accurate month by month list of all people experiencing homelessness including both sheltered and unsheltered community members

1.2: The Municipality of Anchorage first quarter budget amendment process provided an additional \$150,000 to secure overflow shelter for as many months of the year as possible. Municipal staff are working to identify the operational feasibility and potential locations of the sites across the community that would both be affordable and meet fire code regulations for sleeping. Adequate shelter and housing opportunities are key to the Municipality's ability to continue the prohibited camp abatement and cleaning processes and to assisting individuals experiencing homelessness in making necessary social service and housing connections.

1.3: The Community Camp Cleanup process and accessible maps was presented to the Committee on Homelessness May 15, 2019

[\\*Link to Municipality of Anchorage Metrics](#)

Priority 2 2019: Increase permanent housing and supports resources in the community.

2019 SCORECARD – PRIORITY 2							
#	Task	Planned Start	Actual Start	Planned End	Actual End	Pillar Convener	Status
1	Embed best practices into Anchorage’s housing and support system by facilitating four provider learning community forums focusing on evidence-based practices (adapting them to our diverse cultures and arctic climate).	1/1/2019	1/1/2019	12/31/2019		Housing & Support Systems	Green
2	*Increase Permanent Supportive Housing capacity as measured by the monthly Anchored Home data report count by 50 beds.	1/1/2019	1/1/2019	12/31/2019		Housing & Support Systems	Yellow
3	*Increase Rapid Re-Housing capacity as measured by the monthly Anchored Home data report by 100 beds.	1/1/2019	1/1/2019	12/31/2019		Housing & Support Systems	Yellow

**Qualitative Comments:**

2.1: ACEH facilitated the Monthly Community of Practice Meetings for shelter providers, bi-weekly Outreach Coordination Meetings, and bi-weekly Built for Zero Outreach Working Group meetings. ACEH hosted a CoC-wide General Membership Meeting for progress and public updates on the status within the community.

2.2 – 2.3: Path to Independence, Pay for Success, Providence Family Rapid Re-Housing, and the Youth Homelessness Demonstration projects have all met projected timelines for implementation. 3 of the 4 continued to serve clients in Rapid Rehousing and Permanent Supportive Housing. The fourth is scheduled to begin serving clients in June of 2019. Tasks are both indicated as “yellow” as the data systems needed to collect capacity and utilization data have not yet been finalized

\*Rapid Re-Housing and Permanent Supportive Housing inventory is measured by the bed capacity determined by the project according to their grant agreements.

Priority 3 2019: Assess and improve local capacity to prevent and divert homelessness.

2019 SCORECARD – PRIORITY 3							
#	Task	Planned Start	Actual Start	Planned End	Actual End	Pillar Convener	Status
1	Stand up a pilot with an identified target population to align existing prevention and diversion services, including existing programs which foster independence to divert the target population from entering homelessness or prevent a return to homelessness to determine the needed capacity increase services to a broader client base.	10/15/2019	TBD	12/31/2019		Prevention & Diversion	
<b>Qualitative Comments:</b> <i>1.1: Efforts to assess research needs, existing best practices, community assets, and priority populations are underway. Upon complete analysis, prevention and diversion models for community pilots will be established.</i>							

Priority 4 2019: Improve data collection and support infrastructure to inform decision- making, track progress toward our goals, and monitor performance.

2019 SCORECARD – PRIORITY 4							
#	Task	Planned Start	Actual Start	Planned End	Actual End	Pillar Convener	Status
1	Create and maintain a comprehensive map of Anchorage Housing and Supports Services and use data to determine community gaps to inform HUD CoC funding priorities and advocacy efforts.	8/1/2019	TBD	12/31/2019		Housing & Support Systems	
2	Using HMIS, connect all individuals that experience homelessness in Anchorage to a Coordinated Entry System, through a By-Name List, that matches housing paired with appropriate supports for vulnerable individuals.	4/1/2019	3/26/2019	9/30/2019		Housing & Support Systems	
3	Empower diverse voices of those with lived experience, through a Board seat for a member of both the Homeless Resource Advisory Council and Youth Task Force, into the ACEH Board.	1/1/2019	1/1/2019	9/13/2019		Housing & Support Systems	
4	Using the AKHMIS governance structure, jointly establish and begin implementation of a comprehensive AKHMIS Strategic Plan that represents the diverse needs of people who are experiencing homelessness.	1/1/2019	1/1/2019	10/1/2019		Housing & Support Systems	
<p><b>Qualitative Comments:</b></p> <p>4.2: HMIS and data system improvement is focused on utilizing methodology through the national Built for Zero learning collaborative. The first focus is creating a single comprehensive By Name List for Anchorage housed in the Homeless Resource Information System (HMIS). Built for Zero has identified 28 criteria a community needs to meet in order to have a quality By Name List. In April, a baseline assessment was completed, and Anchorage met 14 of the 28 criteria. To achieve this goal, HMIS Functionality and Outreach Workgroups were established in April 2019 to address the areas in need of improvement.</p> <p>4.3: The Anchorage Coalition to End Homelessness (ACEH) supports two groups that engage those with lived experience- the Homeless Resource Advisory Council (HRAC) and the Youth Task Force (YTF). Both organizations have begun participating in Anchored Home and ACEH core activities to ensure the voice of those with lived experience informs decision making.</p> <p>4.4: An AKHMIS Assessment was completed in April of 2019 in partnership with ICF a Housing and Urban Development (HUD) technical assistance provider. This assessment included direct care and leadership practitioners and will be used as the basis of the forthcoming AKHMIS strategic plan.</p>							

Priority 5 2019: Increase use of and links to existing community resources. Advocate for more resources where needed.

2019 SCORECARD – PRIORITY 5							
#	Task	Planned Start	Actual Start	Planned End	Actual End	Pillar Convener	Status
1	Establish the Homelessness Leadership Council to create a sustainable cross-sector Anchorage organization, engaging faith, policy and business leaders, to monitor implementation of Anchored Home.	1/1/2019	1/1/2019	4/1/2019	1/17/2019	Advocacy & Funding	
2	Identify and engage diverse cross-sector leadership including funders, policy and faith leaders to drive expanded engagement, demonstrated by the establishment of a Funder's Collaborative and increased membership in the ACEH.	1/17/2019	1/17/2019	12/31/2019		Advocacy & Funding	
3	Establish a comprehensive communications plan for Anchored Home focusing using data, common language and the voices of those with lived experience to provide first-hand narratives, communicate about progress and address concerns on crime, substance misuse and addiction, and homelessness.	1/1/2019	4/15/2019	7/18/2019		Advocacy & Funding	
4	Secure sustainable resource funding through local, state and federal funding advocacy efforts for RRH and PSH projects and Anchored Home supports for analytical and coordination tools.	1/1/2019	1/1/2019	12/31/2019		Advocacy & Funding	
5	In collaboration with AKCH2, develop a statewide proactive and reactive advocacy plan for local and statewide political impacts to homeless services and individuals with lived experience.	7/1/2019	3/21/2019	12/31/2019		Advocacy & Funding	
<b>Qualitative Comments:</b> 5.2: Conversations are in progress and will continue with community leadership to acquire and establish philanthropic funding opportunities 5.4: Due to the uncertainty of the Governor's Proposed FY20 Budget, state and local funding remains unknown.

## IX. Common Terms and Definitions

<b>COMMON TERMS AND DEFINITIONS</b>	
Term	Explanation
<b>Built for Zero</b>	In March 2019, the Anchorage community enrolled in the Built for Zero. Built for Zero (formerly <i>Zero: 2016</i> ) is a rigorous national change effort working to help a core group of committed communities end veteran and chronic homelessness. Coordinated by Community Solutions, the national effort supports participants in developing real time data on homelessness, optimizing local housing resources, tracking progress against monthly goals, and accelerating the spread of proven strategies. Built for Zero is designed to help communities obtain a homeless population of <i>functional zero</i> . <a href="https://www.community.solutions/what-we-do/built-for-zero">https://www.community.solutions/what-we-do/built-for-zero</a>
<b>Coordinated Entry</b>	Coordinated Entry is a process designed to quickly identify, assess, refer and connect people in crisis to housing and assistance and services. <a href="https://endhomelessness.org/ending-homelessness/solutions/crisis-response/">https://endhomelessness.org/ending-homelessness/solutions/crisis-response/</a>
<b>Continuum of Care (CoC)</b>	The Continuum of Care (CoC) Program is designed to promote communitywide commitment to the goal of ending homelessness; provide funding for efforts by nonprofit providers, and State and local governments to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness. <a href="https://www.hudexchange.info/programs/coc/">https://www.hudexchange.info/programs/coc/</a>
<b>Emergency Shelter</b>	<i>Emergency shelter</i> is any facility, the primary purpose of which is to provide a temporary shelter for those experiencing homelessness in general or for specific populations of those experiencing homelessness. <a href="https://www.hudexchange.info/faqs/983/can-a-day-shelter-be-funded-as-an-emergency-shelter-under-esq/">https://www.hudexchange.info/faqs/983/can-a-day-shelter-be-funded-as-an-emergency-shelter-under-esq/</a>
<b>Functional Zero</b>	Based upon the Built for Zero methodology, Functional Zero is achieved when there are enough services, housing and shelter beds for all individuals in need. Emergency shelters are intended to be temporary and the goal is permanent housing.
<b>Homeless Management Information System (HMIS)</b>	The Homeless Management Information System (HMIS) is an information technology system used to collect client-level data and data on the provision of housing and services to homeless individuals and families and persons at risk of homelessness. ACEH manages the HMIS system for Anchorage in partnership with the Alaska Coalition on Housing and Homelessness (who manages the remaining Alaskan communities) <a href="https://www.hudexchange.info/programs/hmis/">https://www.hudexchange.info/programs/hmis/</a>
<b>Housing Inventory Count (HIC)</b>	The U.S. Department of Housing and Urban Development (HUD) requires the collection of Housing Inventory Count (HIC) data for one night each year to assist in measuring the extent of homelessness within Alaska. This is a point-in-time inventory of projects within the Anchorage CoC that provide beds and units dedicated to serving individuals experiencing homelessness. This data is not included within the contents of this report, but can be found on the ACEH webpage: <a href="https://public.tableau.com/profile/alissa.parrish#!/vizhome/AK2012-2019HIC/AKHIC2012-2019">https://public.tableau.com/profile/alissa.parrish#!/vizhome/AK2012-2019HIC/AKHIC2012-2019</a>
<b>Homeless Response System</b>	An effective homeless response system identifies and quickly connects people who are experiencing or are at risk of experiencing homelessness to housing assistance and other services. It works because it aligns a community, its programs and services around one common goal – to make homelessness rare, brief and nonrecurring. <a href="https://endhomelessness.org/ending-homelessness/solutions/crisis-response/">https://endhomelessness.org/ending-homelessness/solutions/crisis-response/</a>
<b>Outreach</b>	Outreach workers connect people at risk of or experiencing homelessness to coordinated entry, emergency services, and shelter. They work with other programs in the system to connect people to stable, permanent housing. <a href="https://endhomelessness.org/ending-homelessness/solutions/crisis-response/">https://endhomelessness.org/ending-homelessness/solutions/crisis-response/</a>
<b>Permanent Supportive Housing (PSH)</b>	Permanent supportive housing is permanent housing with indefinite leasing or rental assistance paired with supportive services to assist those experiencing homelessness with a disability or families with an adult or child member with a disability achieve housing stability. <a href="https://www.hudexchange.info/programs/coc/coc-program-eligibility-requirements/">https://www.hudexchange.info/programs/coc/coc-program-eligibility-requirements/</a>
<b>Point-in-Time (PIT) Count</b>	The U.S. Department of Housing and Urban Development (HUD) requires the collection of Point-in-Time (PIT) and Housing Inventory Count (HIC) data for one night each year to assist

	<p>in measuring the extent of homelessness within Alaska. This data is not included within the contents of this report, but can be found on the ACEH webpage:  <a href="https://public.tableau.com/profile/alissa.parrish#!/vizhome/ANC2009-2018PIT/ANCPITYearbyYear">https://public.tableau.com/profile/alissa.parrish#!/vizhome/ANC2009-2018PIT/ANCPITYearbyYear</a></p>
<b>Quality By-Name List</b>	<p>A Quality By-Name List is a real-time list of all individuals experiencing homelessness. A Quality By-Name List is a robust set of data points supporting coordinated access and service prioritization at a household level and an understanding of homeless inflow and outflow at a systems-level. The real-time actionable data supports triage to services, system performance evaluation, and advocacy for policy change and required resources.</p>
<b>Rapid Re-Housing (RRH)</b>	<p>Rapid re-housing (RRH) emphasizes housing search and relocation services and short- and medium-term rental assistance to move individuals and families experiencing homelessness (with or without a disability) as rapidly as possible into permanent housing.  <a href="https://www.hudexchange.info/programs/coc/coc-program-eligibility-requirements/">https://www.hudexchange.info/programs/coc/coc-program-eligibility-requirements/</a></p>
<b>Summer Community Count</b>	<p>This annual Municipality of Anchorage snapshot-style count provides a data collection process of individuals experiencing homelessness who may not be accessing emergency or social services. The counting process includes a canvas of camps and streets, individuals in shelters, and other locations reported through the Municipality of Anchorage's (MOA) portal:  <a href="http://www.muni.org/Departments/Mayor/Pages/MayorsHousingandHomelessness.aspx">http://www.muni.org/Departments/Mayor/Pages/MayorsHousingandHomelessness.aspx</a></p>

PILOT
