Example Message:

Dear Legislator,

I strongly oppose the Governor Dunleavy's vetoes to homeless services. These cuts will decrease shelter capacity by 229 beds and remove 561 housing beds. This means that up to 790 more individuals could be experiencing homelessness on any given day in Anchorage in the very near future. Please vote to overturn the vetoes to BHAP, SNHG, HSCMG, and CIMGP to fully fund these vital programs.

Sincerely,

Your Name
